COMMUNIQUE XXVIII^e WORLD OLYMPIC COLLECTORS FAIR PRAGUE 2025 LOGO UNVEILING

It is always a great pleasure to unveil the logo of the WOCF: it is the announcement of a great celebration where fans and enthusiasts of culture and the Olympic collection meet.

From May 30 to June 1, come to Prague in the Czech Republic: “the city called Prague of Hundred Spires, Golden Prague or The Mother of Cities”.

This historical and cultural singularity of Prague is superbly captured in this logo which invites collectors of the Olympic Games to meet and exchange around their passion and the Olympic collection.

The WOCF will be on the same date, as was the historical IOC Congress 100 years ago.

Without having to wait for the imminent opening of the official WOCF Prague 2025 website, discover the pre-program here:
